Residents!

Exciting news! The Braidwood Beautification Committee is coming back. After a long hiatus, the Committee has tightened the ordinance, been found a source of some funding, and there are already plans in motion to add things to Main Street to bring new life to our beloved main thoroughfare.

What we need now, is a group of passionate and dedicated people to be involved in the committee. This is your chance to have a leading hand in how our town looks and provide insight and ideas to help brighten even the most blighted of areas of town. But this does not happen without your help! Making Braidwood shine is going to help not only our own morale as residents, it is also going to show businesses that this is a town they are going to want to invest in and be a part of.

That said, if you have an interest in lending your ideas and efforts to beautify Braidwood, please contact Mayor Hart at City Hall; provide your name, phone number and email address and we will be in touch soon to get moving on the smaller projects. Then as winter sets in, we will work on selecting areas, ideas, and where we will get the supplies.

This is very exciting for our City! We can't wait to see how Braidwood will shine in the very future.

Mayor Karen Hart  
City of Braidwood
